Staffing precincts: Mr. Corwin stated that he would like us to look at having no more than 7 officers and less than 4 working elections. That should give us adequate people. It can be discussed at our upcoming February meeting.

Training. There was some discussion about Officers of election Training. It was unanimous that the more training that we could offer, the more we could perfect our elections and the opportunity for mistakes not to happen. It also was a great time to be able to do more hands-on training and different types. There will be a special Chief's training on February 28, 2023 at 6:00 PM. This will be the kickoff for the training to come.

During the 2022 election, Sunday voting was held on the 1<sup>st</sup> Sunday in October from 1:00 PM – 5:00 PM. A total of 21 people voted. It was decided to table Sunday Voting to the February meeting in case there was someone that may wanted to share some thoughts or comments in regard to Sunday voting.
