Public comments:

Sunday Voting

Mrs. Melissa. Harmon of the Southside Democracy Center inquired if the date of September 29, 2024, be the first choice of Sunday voting and October 6, 2024, as a second choice. With much discussion among the board and those in attendance regarding the clarity of whether there would be Sunday Voting this year. It was decided that with investigation of the board and registrar looking at the previous minutes concerning that topic to table the discussion until the July meeting. Mrs. Harmon requested a copy of those minutes also and the registrar will provide those said minutes to her.

Party Chair Jeff Stratford inquired if there were any changes regarding poll observers inside of the precincts. Advised by the board and the registrar that there was none to our knowledge of which we are aware.
